

Non-Profit Organizations

Mission Focused CPAs

The Skillman Group understands the needs of non-profits to create effective programs and ensure transparent financial reporting. Our professionals provide the audit or accounting and tax support to help you move closer toward your goals.

Non-Profit Concentrated

The Skillman Group delivers the financial and advisory solutions to help organizations have the information and ideas to stay focused on their mission. Our firm supports a number of non-profits. The Skillman team is trained in the regulations and processes needed to ensure compliance and accuracy and has the communication skills to translate financial results and explain them to your management team and board.

Advisory Relationships

Our team invests the time to understand your goals and concerns so we can direct our efforts into areas that are most vital to you. We work with organizations and foundations to make sure their financial systems are accurately capturing and reporting financial transactions. We become part of our client's team and always seek to add value to our relationship.

The Next Step

Take the first step and call us today at (248) 641-5020 to see what our firm can do for you.
